Use your own cell phone to take a self-guided audio tour of our facility! This FREE service is a great tool you can use to learn more about the park and its wildlife. Dial **207-228-1700** to access the tour and receive instructions. There are small blue signs posted throughout the park indicating cell phone audio stops. You can visit these stops in sequence or at random by simply dialing this telephone number and entering the stop number listed on the sign. You can also reference the park map to identify the stop numbers. Enjoy your tour!
**The audio tour is free, but you may be charged cell phone minutes based on the plan you have with your service provider.*

Please help us keep your park neat and clean. Put trash in the designated containers and **PLEASE DO NOT LITTER!**

Visit the **Nature Store** for a variety of wildlife souvenirs, gifts and educational materials. Proceeds directly benefit the Wildlife Park.

Group Tours: To arrange a guided group tour for your school or community group please call the park office at 657-4977, ext. 0.
